Important Changes for the 2008-09 Hunting Seasons

There is no statewide 2-day Special September Canada Goose season this year.

A new Special September Canada Goose season zone was established around Cedar Falls/Waterloo.

Special September Canada Goose seasons will be open Sept. 1-15 in the Des Moines, Cedar Rapids/Iowa City, and Cedar Falls/Waterloo zones.

The season dates for ducks and geese are the same in both the north and south zones.

The canvasback season is closed.

The daily bag limit for wood ducks has been increased from 2 to 3.

The daily bag limit for scaup was reduced from 2 to 1, except during November 1-20, when the daily bag limit for scaup is 2.

Hunting Licenses and Fees

RESIDENTS

Hunting	\$17.50
Habitat Fee (Ages 16 to 65)	\$11.50
Migratory Game Bird Fee	\$8.50
Hunting Preserve	\$6.00
Lifetime Hunting (Age 65 and older)	\$51.00
Federal Duck Stamp	\$15.00

NONRESIDENTS

Hunting (18 years and older)	\$80.50
Hunting (Under 18 years)	\$30.50
Habitat Fee	\$11.50
Migratory Game Bird Fee	\$8.50
Hunting Preserve	\$6.00
Falconry	\$26.50
Federal Duck Stamp	\$15.00

Resident or nonresident licenses and stamps listed in this table are required to hunt migratory game birds in Iowa. All licenses, fees and stamps must be carried on your person while hunting or trapping.

R = Resident NR = Nonresident X = License or fee required NA = Not available	Under 16		16 - 64		65 and Older		Disabled Veteran / POW		Landowner or Tenant		Military Stationed in Iowa		Military Resident on Leave ⁶	
	R	NR	R	NR	R	NR	R	NR	R	NR	R	NR	R	NR
Hunting License	¹	X	X	X	X	X	X ²	NA	³	³	X			
Iowa Habitat Fee ⁴		X	X	X		X		NA	³	³	X			
Federal Waterfowl Stamp ⁵			X	X	X	X	X	NA	X ⁵	X ⁵	X		X	
Iowa Migratory Bird Fee ⁵			X	X	X	X	X	NA	X ⁵	X ⁵	X		X	

¹Not required for residents under 16 if accompanied by a licensed adult (18 years or older). See page 4. ²Lifetime hunting license available to residents who qualify. ³Not required for resident and nonresident landowners or tenants or their juvenile children when hunting on their own land. See page 4. ⁴Required unless under 16 years old, 65 years old or older or disabled.

⁵Required unless under age 16. ⁶See explanation pages 4-5.

License and Fee Requirements

Hunting License - Iowa residents 16 years old and older, and all nonresidents except those under 16 years of age, are required to carry a valid hunting license, pay the habitat fee and Iowa migratory game bird fee, and carry a valid federal migratory waterfowl stamp (duck stamp) while waterfowl hunting. Nonresidents under 16 years of age are required to carry a valid hunting license and pay the habitat fee but are not required to pay the Iowa migratory game bird fee or carry a valid federal migratory waterfowl stamp (duck stamp) while waterfowl hunting.

Military personnel stationed in Iowa may purchase resident hunting licenses regardless of their official state of residency.

Wildlife Habitat Fee - Iowa residents who are 16 to 65 years old, and nonresidents regardless of age, who are required to have a hunting license must pay the wildlife habitat fee to hunt waterfowl. Residents that have special disabled-person licenses are exempt.

Iowa Migratory Game Bird Fee - All residents and nonresidents 16 years old or older must pay the Iowa migratory game bird fee to hunt geese, brant, ducks, snipe, rail, woodcock, gallinule or coot. The fee must be paid even if a hunting license and habitat fee are not required.

Federal Migratory Waterfowl Stamp - All residents and nonresidents 16 years old or older must have a valid federal migratory waterfowl stamp (duck stamp) on their person while hunting geese and ducks. The hunter must sign the stamp across the face. The stamp is required even if a hunting license and habitat fee are not required. Federal migratory waterfowl stamps are available at most post offices, national wildlife refuges and at some license agents. Federal migratory waterfowl stamps are also available online at www.duckstamp.com or by calling 1-800-852-4849.

All Participants Must be Licensed - All participants in a hunt must be properly licensed and have paid the appropriate fees. It is up to the discretion of the conservation officer to determine whether a person is “participating in the hunt.” Participation includes, but is not limited to, handling weapons or ammunition during the hunt, making animal calls to attract game, driving, flushing, or locating game, and handling dogs.

Falconers - Special licenses, regulations, and season dates apply to residents and nonresidents who hunt with birds of prey. Information may be found at www.iowadnr.gov/law/files/falcon-bag.pdf

The following persons are not required to purchase a hunting license or to pay certain fees:

1) Resident and nonresident owners and tenants of land in Iowa and their juvenile children may hunt waterfowl and other migratory game birds on such lands without a hunting license or paying the wildlife habitat fee. Persons exempted under this provision must still possess a valid federal migratory waterfowl stamp and have paid the Iowa migratory game bird fee to hunt migratory game birds if they are 16 years old or older.

2a) Residents under 16 years old that hunt under the direct supervision of a properly licensed parent, guardian or other competent adult, with the consent of the parent or guardian, do not need to buy a hunting license, federal waterfowl stamp, or pay the Iowa habitat and migratory game bird fees. One properly licensed adult must accompany each unlicensed hunter under 16 years old. The youth hunter may shoot and possess his/her own limit.

2b) Residents 12 to 16 years old may hunt without adult supervision, but must have a hunting license and must have passed a hunter education course (see “Hunter Education Requirements” p. 6). The federal migratory waterfowl stamp and Iowa habitat and migratory game bird fees are not required.

3) Military personnel that are residents of Iowa that are on active duty with the armed forces of the United States and are on authorized leave from a duty station outside of Iowa do not need to buy a hunting license or pay the habitat fee. They must possess a federal migratory waterfowl stamp and pay the Iowa migratory game bird fee to hunt migratory game birds. They must carry their

leave papers on their person while hunting and a copy of their current earnings statement showing a tax deduction for Iowa income taxes for the previous year. In lieu of carrying the person's earnings statement, the military person may also claim residency if the person is registered to vote in this state.

Hunter Education Requirements

Resident and nonresident hunters born after Jan. 1, 1972, must satisfactorily complete a hunter education course in order to obtain a hunting license. A person who is 11 years-old or older may enroll in a course, but those who are 11 and successfully complete the course shall be issued a certificate of completion that becomes valid on the person's 12th birthday.

For a list of class dates and locations, call 515-281-5918 or go to www.iowadnr.gov and click on the Safety Education link in the navigation bar on the left, then on Iowa Hunter Education Training.

Alternative. A hunter education certificate issued by another state or certain foreign nations will meet the above requirement. Proof of completion is required when purchasing your first Iowa hunting license.

Harvest Information Program (HIP)

Federal regulations require all hunters to register with the Harvest Information Program (HIP) before hunting migratory game birds in the United States. Hunters must register in each state in which they hunt migratory game birds. **In Iowa, hunters are automatically registered with HIP when they pay the Iowa migratory game bird fee.** Hunters should answer the HIP questions accurately.

Answers to the HIP questions are not used to directly estimate the numbers of migratory game birds shot by hunters. They are used to put hunters into groups with similar hunting success. A sample of hunters from each group is mailed a diary and asked to record the number of migratory birds they harvest each day they hunt. The information from these diaries is used to estimate the number of migratory game birds harvested in each state, an important consideration in setting the following year's seasons.

SPECIAL HUNTS

Youth Waterfowl Hunting Days

Hunters ages 15 or younger may hunt waterfowl during Youth Waterfowl Hunting Days without purchasing a hunting license or federal duck stamp or paying the Iowa habitat or migratory game bird fees. The youth hunter must be accompanied by an adult 18 years old or older. The adult must have a hunting license and have paid the Iowa wildlife habitat and migratory game bird fees, if normally required to do so to hunt waterfowl. Only the youth may hunt ducks, geese and coots. The accompanying adult may hunt any game that is in season, including other migratory game birds that may be in season, provided he/she possess a federal duck stamp. The daily bag and possession limit for ducks, geese, mergansers and coots for the youth season are the same as for the regular season. All other regulations in effect for the regular waterfowl seasons apply during the youth hunt.

Special September Canada Goose Seasons

Special September Canada goose seasons are open September 1-15 in the Des Moines, Cedar Rapids-Iowa City, and Waterloo-Cedar Falls zones. The daily bag limit in these zones is 5 Canada geese. The zone boundary maps are available on the DNR's web site at www.iowadnr.gov/wildlife/files/earlycago.html

Light Goose Conservation Order

Only light geese (white- and blue-phase snow geese and Ross' geese) can legally be taken during the Light Goose Conservation Order. Hunters must have a valid resident or nonresident hunting license and have paid the current Iowa wildlife habitat and migratory game bird fees. A federal duck stamp is not required.

Shooting hours are 1/2-hour before sunrise until 1/2-hour after sunset each day. The daily limit is 20 light geese. There is no possession limit. Hunters may use electronic callers and unplugged shotguns during the Light Goose Conservation Order.

2008-09 Migratory Game Bird

Season Dates

Note About Duck and Goose Zones

In contrast to recent years, this year the duck and goose season dates are not listed by zones. This is because the season dates are the same in each zone. This happened because of how the 2008 calendar dates aligned with weekends and holidays. The DNR has not abandoned the duck and goose zones. If it is advantageous to set the season dates by zones next year, the zones will once again be used.

Statewide Season Dates

Ducks, Mergansers and Coots	Sept. 20 - 24 Oct. 18 - Dec. 11
Youth Waterfowl Hunting Days	Oct. 4 - 5
Canada Geese and Brant	Sept. 27 - Oct. 5 Oct. 18 - Dec. 21 Dec. 27 - Jan. 11, 2009
White-fronted Geese	Sept. 27 - Dec. 7
Light Geese (white and blue phase snow geese and Ross' geese)	Sept. 27 - Jan. 11, 2009
Light Goose Conservation Order (white and blue phase snow geese and Ross' geese)	Jan. 12 - April 15, 2009 (additional regulations apply)
Woodcock	Oct. 4 - Nov. 17
Snipe	Sept. 6 - Nov. 30
Rails (Sora and Virginia)	Sept. 6 - Nov. 14

Special September Canada Goose Seasons Within Zones

Canada Geese Sept. 1 - 15

Only in designated zones around Des Moines, Cedar Rapids/Iowa City, and Cedar Falls/Waterloo. Special regulations apply. See Special September Canada Goose Season flyer at select license agents in hunt zones and online at

<http://www.iowadnr.gov/wildlife/files/earlylago.html>

2008-09 Migratory Game Bird Hunting Regulations

Shooting Hours: 1/2-hour before sunrise to sunset for all migratory game bird species except woodcock, which is sunrise to sunset.

Bag Limits

Ducks: Daily limit is 6, including no more than 4 mallards (of which no more than 2 may be female), 3 wood ducks, 2 redheads, 1 black duck, 1 pintail and 1 scaup, except during November 1-20, when the daily bag limit for scaup is 2. The canvasbacks season is closed this year.

Mergansers: Daily limit is 5, including no more than 2 hooded mergansers.

Coots: Daily limit is 15.

Geese: Daily limit is 2 Canada, 2 white-fronted geese, 1 brant and 20 snow geese, **EXCEPT** during the Special September Canada goose season in the Des Moines, Cedar Rapids/Iowa City, and Cedar Falls/Waterloo Zones when the daily bag limit is 5 Canada geese.

Woodcock: Daily limit is 3.

Snipe: Daily limit is 8.

Rails (Sora and Virginia): Daily limit is 12.

Possession Limits

Twice the daily bag limit for all the above species except for light geese for which there is no possession limit.

Youth Waterfowl Hunting Days: Shooting hours and daily bag limits will conform to those set for the regular waterfowl seasons.

Report Banded Ducks and Geese

Bands can be reported at www.reportband.gov or by calling 1-800-327-BAND (2263)

Reporting the harvest of banded waterfowl provides valuable information which helps sustain waterfowl populations and hunting for the future.

DNR Wildlife Refuges

The following areas under the jurisdiction of the Department of Natural Resources are established as game refuges where posted as such. It shall be unlawful to hunt, pursue, kill, trap or take any wild animal, bird or game on these areas at any time, and no one shall carry firearms thereon. It shall also be unlawful to trespass in any manner on the following areas, where posted as such, between the dates of Sept. 1 and Jan. 31 of the following year, both dates inclusive, except that DNR personnel and law enforcement officials may enter the area at any time in performance of their duties.

AREA	COUNTY	AREA	COUNTY
Lake Icaria	Adams	Red Rock Area	Marion, Polk,
Pool Slough	Allamakee		Warren
Rathbun Area	Appanoose	Badger Lake	Monona
Sedan Bottoms	Appanoose	Tieville/Decatur Bend	Monona
Wildlife Exhibit Area	Boone	Five Island Lake	Palo Alto
Sweet Marsh	Bremer	Big Creek/Saylorville	
Big Marsh	Butler	Complex	Polk
South Twin Lake	Calhoun	Chichaqua Area	Polk
Round Lake	Clay	I-35 Area	Polk
Allen Green Refuge	Des Moines	Smith Area	Pottawattamie
Henderson WMA	Dickinson	McCausland	Scott
Jemmerson Slough	Dickinson	Princeton Area	Scott
Spring Run WMA	Dickinson	Prairie Rose Lake	Shelby
Ingham Lake	Emmet	Otter Creek Marsh	Tama
Forney Lake	Fremont	Green Valley Lake	Union
Riverton Area	Fremont	Three Mile Lake	Union
Dunbar Slough	Greene	Lake Sugema	Van Buren
Bays Branch	Guthrie	Middle River Area	Warren
Green Island Area	Jackson	Rice Lake Area	Winnebago
Hawkeye WMA	Johnson	Snyder Lake	Woodbury
Muskrat Slough	Jones	Elk Creek Marsh	Worth
Colyn Area	Lucas	Lake Cornelia	Wright

AREAS CLOSED TO WATERFOWL HUNTING

Hunters may pursue other species on the listed areas once the duck and goose seasons are closed. The entire state is open to waterfowl hunting except for the following areas:

- 1) The east-west road adjacent to Forney Lake in Fremont County;
- 2) U.S. Highway 30 adjacent to Desoto National Wildlife Refuge in Harrison County;
- 3) County roads adjacent to Union Slough National Wildlife Refuge in Kossuth County;
- 4) Marked county roads near the Mark Twain National Wildlife Refuge in Louisa County;
- 5) Posted dikes at Green Island Wildlife Management Area in Jackson County;
- 6) Posted dikes at Otter Creek Wildlife Management Area in Tama County;
- 7) Posted lands adjacent to Rathbun Reservoir in Appanoose and Lucas counties;
- 8) Portions of Summit Lake in Union County;
- 9) Posted portions of Clear Lake and Ventura Marsh in Cerro Gordo County.
- 10) Within 300 feet of the center of Army Road from New Albin to the boat ramp on the Mississippi River, in Allamakee Co.

National Wildlife Refuges

Some parts of the National Wildlife Refuges under the management of the U.S. Fish and Wildlife Service in Iowa are closed to hunting. In addition, there may be other regulations that limit the species that can be hunted on these national wildlife refuge properties, as well as when and how they can be hunted.

For more details on hunting on U.S. Fish and Wildlife Service National Wildlife Refuge lands go to:

<http://www.fws.gov/midwest/maps/iowa.htm> and click on the refuge for which you want information. Or, write to: Regional Director, U.S. Fish and Wildlife Service, 1 Federal Drive, Ft. Snelling, MN 55111.

For questions about interpretations of Federal regulations contact: Special Agent-in-Charge, U.S. Fish and Wildlife Service, 1 Federal Drive, Ft. Snelling, MN 55111 or phone (612) 713-5320.

Areas Closed to Canada Goose Hunting

Canada goose hunting is closed in posted portions of 16 counties. Maps of the closed areas may be obtained by going to www.iowadnr.gov/wildlife/pdfs/cagoref_locmap.pdf Maps are also available from local conservation officers, at DNR facilities near the Canada goose closed areas, or by calling the DNR Central Office at 515/281-5918. Be prepared to tell the area name for the map you are ordering. Allow two weeks for delivery.

1. Emmet County; Northwest Regional Office in Spirit Lake and Ingham Wildlife Unit near Wallingford.
2. Clay/Palo Alto counties; Northwest Regional Office in Spirit Lake and Ruthven Wildlife Unit near Ruthven.
3. Dickinson County; Northwest Regional Office in Spirit Lake and Big Sioux Wildlife Unit near Spirit Lake.
4. Worth/Winnebago counties; Northeast Regional Office in Manchester and the Rice Lake Unit in Ventura.
5. Lucas County; Southeast Regional Office in Brighton and the Rathbun Wildlife Unit near Russell.
7. Guthrie County; Southwest Regional Office in Lewis and the Bays Branch Unit near Panora.

- 8.** Adams County; Southwest Regional Office in Lewis and the Mt. Ayr Wildlife Unit near Mt. Ayr.
- 9.** Monona/Woodbury counties; Southwest Regional Office in Lewis and the Missouri River Unit near Whiting.
- 11.** Jackson County; Northeast Regional Office in Manchester and the Maquoketa Unit near Green Island.
- 13.** Van Buren County; Southeast Regional Office in Brighton and the Wapello Wildlife Unit near Keosauqua.
- 14.** Bremer County; Northeast Regional Office in Manchester and the Sweet Marsh Unit near Tripoli.
- 15.** Butler County; Northeast Regional Office in Manchester and the Big Marsh Unit near Parkersburg.
- 16.** Union County; Southwest Regional Office in Lewis and the Mt. Ayr Wildlife Unit near Mt. Ayr.

GENERAL MIGRATORY GAME BIRD HUNTING REGULATIONS

Federal Regulations Summary

You cannot take migratory game birds:

- ◆ with a trap, net, rifle, pistol, swivel gun, shotgun larger than 10 gauge, punt gun, battery gun, machine gun, fish hook, poison, drug, explosive or stupefying substance.
- ◆ with a shotgun capable of holding more than three shells, unless it is plugged with a one-piece filler which is incapable of being removed without disassembling the gun.
- ◆ from a sink box (a low floating device, having a depression affording the hunter a means of concealment beneath the surface of the water).
- ◆ from or with the aid or use of any motor vehicle or other motor-driven land conveyance or any aircraft, except that paraplegics and single or double leg amputees may take from any stationary motor-driven land conveyance.
- ◆ by the use or aid of live decoys. All live, tame or captive ducks and geese shall be removed for a period of 10 consecutive days prior to hunting, and confined within an enclosure which substantially reduces the audibility of their calls and totally conceals such tame birds from the sight of migratory waterfowl.
- ◆ by the aid of baiting or on or over a baited area where a person knows or reasonably should know that the area is or has been baited. A baited area is considered to be baited for 10 days after complete removal of any bait. Baiting includes placing, exposing, depositing or distributing salt, grain or other feed that could serve as a lure or attraction for migratory game birds to, on or over areas where hunters are attempting to take them. Agricultural areas must be prepared in accordance with official recommendations to be legally hunted. It is a separate offense to place, or direct placement of bait, on or adjacent to an area which causes, induces or allows another to hunt by the aid of bait or over a baited area. Hunters are responsible for ensuring that an area has not been baited and should verify its legality prior to hunting. The maximum federal penalties are: for hunting over bait, \$15,000/six months in jail; for placing bait, \$100,000/one year in jail.
- ◆ from a motorboat or sailboat under power. A craft under power may be used to retrieve dead or crippled birds, except crippled birds may not be shot from such craft under power.

◆ by the use or aid of recorded or electronically amplified bird calls or sounds or recordings or electronically amplified imitations of bird calls or sounds.

Shipment

You cannot ship migratory game birds unless the package is marked on the outside with: 1. the name and address of the person sending the birds; 2. the name and address of the person receiving the birds; and 3. the number of birds, by species, contained in the package.

Importation and Transportation Within the United States

For information regarding the importation of migratory birds killed in another country, hunters should consult the Title 50, Code of Federal Regulations, Part 20. One fully feathered wing or head must remain attached to all migratory game birds, except doves and band-tailed pigeons, being transported between a port of entry and the hunter's home or to a migratory bird preservation facility. You cannot import migratory game birds killed in any foreign country, except Canada, unless such birds are dressed (except as required above), drawn and the head and feet removed.

Iowa Regulations Summary

Nontoxic shot only

You cannot have in your possession any shotshell loaded with anything other than nontoxic shot approved by the U. S. Fish and Wildlife Service (USFWS) when hunting any migratory game birds, except woodcock, on any land or waters of the state of Iowa. Nontoxic shot currently approved by the USFWS includes: steel, bismuth-tin, tungsten-bronze, tungsten-iron (two types), tungsten-matrix, tungsten-nickel-iron, tungsten-polymer, tungsten-tin-bismuth, tungsten-tin-iron, tungsten-iron-copper-nickel, and tungsten-tin-iron-nickel. For more information, go to www.fws.gov/migratorybirds/issues/nontoxic_shot/nontoxic.htm

Blinds

A blind is a constructed place of concealment for hunting, observing or photographing wildlife. You may construct a blind on a game management area using only the natural vegetation found on the area,

except that no trees or parts of trees other than willows can be cut for that purpose. The use of such blinds is on a first-come, first-served basis whether or not you constructed the blind.

You cannot drive or otherwise place any nail, spike, pin or any other object, metal or otherwise, into any tree on a game management area to construct a blind or to make access to a blind or to a hunting location above the ground.

Portable blinds are prohibited on game management areas from one hour after sunset until midnight of each day. Portable blinds which are built on, or are part of, a boat shall be considered as removed from an area when the boat and blind are tied up or moored at an approved access site. No boat may be anchored away from shore and left unattended unless it is attached to a legal buoy.

Decoys

A “decoy” is a likeness of a bird or animal used to lure game within shooting range. Decoys are prohibited on all game management areas from one hour after sunset until midnight of each day. Decoys are considered removed from an area if they are in a boat or other container at an approved access site. Waterfowl decoys cannot be left unattended for over 30 minutes between midnight and one-half hour after sunset.

Daily Bag Limit

You cannot take in any one day more than one daily bag limit.

Field Possession Limit

You cannot possess more than one daily bag limit while in the field or while returning from the field to the vehicle, hunting camp, home, etc.

Transportation

One fully feathered wing or head must remain attached to all migratory game birds, except doves and band-tailed pigeons, being transported from the field or a processing facility to the hunter's home.

Wanton Waste

All migratory game birds killed or crippled must be retrieved, if possible, and retained in the custody of the hunter in the field.

Possession of Live Birds

Wounded birds reduced to possession must be immediately killed and included in the daily bag limit.

Shooting or Hawking Hours

You cannot take migratory game birds except during the hours open to shooting and hawking. For complete falconry information, visit the Iowa DNR's web site at www.iowadnr.com/law/files/falconbag.pdf

Tagging

You cannot give, put or leave any migratory game birds at any place or in the custody of another person unless you tag the birds with the following information: 1. your signature; 2. your address; 3. the total number of birds involved, by species; 4. the dates such birds were killed.

You cannot receive or have in custody any migratory game birds belonging to another person unless such birds are properly tagged.

Dual Violation

Violation of state migratory bird regulations is also a violation of federal regulations.

Poaching is A Crime!

Report fish and wildlife violations to TIP as soon as possible by calling 1-800-532-2020. Provide as much information as possible, such as a description of the possible violator, the vehicle, time and location of the violation. A conservation officer will be dispatched to investigate.

Turn In Poachers

31			5:47	6:28		

- The sunrise-sunset schedule represents Zone 1 in eastern Iowa (See map).
- Add four minutes for each zone west of Zone 1.
- Each schedule is based on **Central Standard Time**.
- Add one hour for **Daylight Savings Time** when in effect, from the second Sunday in March to the first Sunday in November.

Trumpeter Swan Identification

Be Sure of Your Target BEFORE You Shoot

The Iowa DNR is currently restoring trumpeter swans to its native nesting grounds in Iowa. The trumpeter and the arctic nesting tundra swan that migrate through the state are given complete protection in Iowa. Shooting a swan could result in a stiff fine and a \$1,500 liquidated damage fee. There is no reason to mistake a trumpeter swan for a snow or Canada goose. Trumpeter swans weigh up to 35 pounds, have up to an 8-foot wingspan and all primary wing feathers are white, or gray if they are immature. Snow geese weigh up to 6 pounds and have 2- or 3- foot wingspan and have black on their outer primary wing feathers.
